

# Noise Expert Quilted MLV Shield

Noise Expert (NE) Quilted MLV is a flexible vinyl barrier with fiberglass quilted to both sides.

NE Quilted MLV can be hung from fences, put on metal frames and painted. The does not shrink or rot. They are washable.

Grommets can be installed in the NE Quilted MLV to make it easies to install. Velcro can be sewn on the edges to make them easy to connect.

They are less expensive and more versatile than rigid barriers.

It comes in rolls measuring 4 feet x 25 feet.
